Vision

To create academic excellence through value based and skill oriented education for socio- economic upliftment of rural India.

Mission

To offer traditional, conventional and innovative educational environment for creating global competencies and to improve the quality of life of people through Education, Training and Research. We are committed to develop social responsibility amongst the students from all backgrounds towards socio economic growth of rural India for global competitiveness.

Goals & Objectives

- ✓ To create state of the art infrastructure for imparting quality education.
- ✓ To provide a healthy environment for physical, intellectual, emotional and spiritual growth students and staff.
- ✓ To groom aesthetically sensitive, socially committed and technologically competent students.
