Who is currently working at Sanjivani ACS college Kopargaon as Assistant Professor Department of commerce. On 11/05/2023 the programmed was organized for all B.Sc. physics Students. Nearly 60 students were attended the Seminar. In that seminar students were inspired towards **One day Seminar on the occasion of Technology Day**

Conclusion: -

1. Students were inspired towards the new techniques.
2. Students clear their doubts. Regarding for ideas scouted & linkage with new technology.

Feedback: -

Students are highly motivated after attaining this type of seminar on "Technology Day."

Key Points:

Each year on May 11, India celebrates National Technology Day with enthusiasm and pride. This day gives a platform to acknowledge the contributions of engineers, scientists, researchers, and innovators, who have achieved significant breakthroughs in many fields.

Objectives: “Technology Day”

The primary objective of National Technology Day is to promote scientific temper and inspire the younger generation to pursue careers in STEM (science, technology, engineering, and mathematics) fields. It serves as an occasion to raise awareness about the importance of technology in addressing societal challenges and fostering economic growth.

Across the country, numerous events and activities like exhibitions, seminars, conferences, and lectures are organized on this day. These platforms facilitate the exchange of ideas, knowledge sharing, and discussions on emerging trends in technology among scientists, entrepreneurs, and industry experts.
