Report On

Student feedback about teaching

There are **12 questions** about teaching in the feedback form according to the analysis the following major points have been noticed the collection of feedback forms has been done by students of different courses including B. Sc, B.com, BBA- IB and analyzed percentage wise. Teaching feedback is given by **199** students.

Feedback from teachers

There are **15** questions about college in the feedback from Feedback given by **18** employees Analysis says that syllabus is covered in a good way and that the equipment in the labs good condition is satisfactory. Online education resources are available. Cooperative teaching and non teaching staff is available. The college campus is green and very eco friendly.

Observation and suggestion

We want cultural events and activities

We want cultural events and some activities

Teaching is very good & teacher is good college is brilliant

Use better graphics and visual media to engage students well.

Teacher should provide deep information regarding subject topic which help student better understanding about subject

Office staff should be more cooperative and special arrangements of toilets for disabled persons should be done.

Placement related development is required

Good teaching in our institution

Feedback from Students

Since 2015-16, we have taken regular feedback from students about college, teaching, library, and nearly all students submit their feedback related to the above and curriculum. The questions cover various fields like teaching, curriculum, library facilities, lab facilities, college physical facilities, etc., and we take appropriate action on their feedback.

Since 2017-18, we have had an online feedback system available on our website for students, parents, teachers, and employers to provide feedback on teaching, curriculum, library, college, sports, and alumni at any time and from any location. This data is very useful for us to develop ourselves as well as to provide a good educational environment for students.

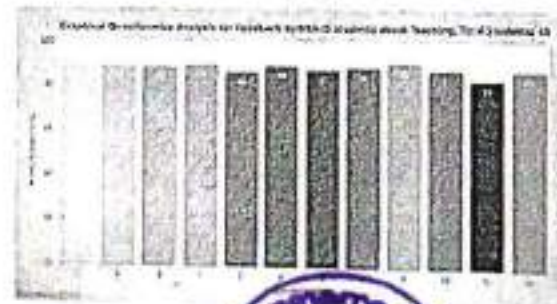

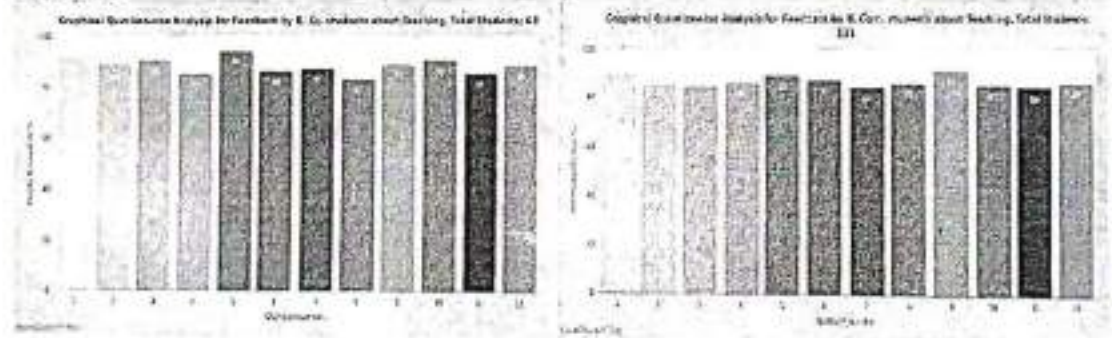

Student Feedback about Teaching

There are 12 questions about teaching in the feedback form. According to the analysis, the following major point has been noticed: the collection of feedback forms has been done by students of different courses (B.Sc., B.Com., and BBA-IB).

For each of the 12 questions asked in the feedback form, five options are given to them for their answer. The following is the percentage wise analysis asked of the students for the respective courses: B.Sc., B.Com., and BBA-IB.

21. Give three observation / suggestions to improve the overall teaching and learning experience in your institution.

- Modern ways of teaching, showing digital videos more explanation should be given
- More use of ICT tools.
- Teaching is very good & teacher is good college is brilliant
- Teacher should provide deep information regarding subject topic which help student's better understanding about subject
- Good teaching in our institution
- No suggestions
- Try to reach every student and ask for their doubts.
- Use better graphics and visual media to engage students well.
- At the end of class summarize where you have been."
- Overall good
- Nothing yells
- All the things are best
- All teachers in very properly teaching like example also in teaching
- Practical Teaching

Observation and Suggestion from student

Grievance and other issues of student should be solved in time

Teaching is very good & teacher is good.

No suggestions.

No suggestions because the college is good and the teachers are helpful in nature

College is beautiful and teachers are very well.

College will give more opportunities to students to their proper guidance

Environment and campus

Teacher should provide deep information regarding subject topic which help student better understanding about subject

Good teaching in our institution

No suggestions

Try to reach every student and ask for their doubts.

Use better graphics and visual media to engage students well.

At the end of class summarize where you have been.

Overall good

All is good

All the things are best.

Observation and Suggestion from student

No suggestions

No need of Suggestions

No need of suggestions

Teachers are Explain Procedures and Expectations.

Teachers are Explain Procedures and Expectations.

Nothing

Need to water purifier for drink

nil

nil

yes

Teachers are very friendly so it becomes easy to understand concepts if there are many doubts.

Teachers support students which help them to understand things timely.

Teachers are Explain Procedures and Expectations.

No suggestions

Everything is working smoothly

No

Teachers teach in such a way that in one to two attempts students understand and there is no need to learn same thing again and again

No

Preparation support for placement is highly expected from college from all.

Overall good

All is good

All the things are best.
