Activity Report On National Innovation Day

Topic: One day Seminar on the occasion of National Innovation day

Mr. Dokhe P.C.

Assistant Professor

Department of Chemistry

M.Sc. (Analytical Chemistry)

As a part of academic activity, a seminar was organized by the department of Physics on 17/11/2022. The topic for the seminar were **One day Seminar on the occasion of National Innovation day** which is given by Mr. Dokhe P.C. Who is currently working at Sanjivani ACS college Kopargaoon as Assistant Professor Department of Chemistry M.Sc. (Analytical Chemistry). On 17/11/2022 the programmed was organized for all B.Sc. physics Students. Nearly 60 students were attended the Seminar. In that seminar students were inspired towards **One day Seminar on the occasion of National Innovation day Conclusion:-**

1. Students were inspired towards the new innovative ideas.
2. Students clear their doubts. Regarding for ideas scouted & linkage with innovation ambassadors.

Feedback:-

Students are highly motivated after attaining this type of seminar on “National Innovation day.

Objectives: “National Innovation day”

The National Innovation Day is celebrated commemorating the birth anniversary of former president of India, Bharat Ratna Dr. APJ Abdul Kalam. The day focused on the contributions of Dr. Kalam to the nation. To cultivate the idea of innovation among the students because the Innovation is the key to success of any nation.

Key Points:

- It refers to the efforts made to ensure that hard work, courage and commitment towards the work, towards the innovative ideas are keys to the success and we need to follow it.
- Innovation day celebration raises the awareness of the role of creativity and innovation in all aspects of human development.
- Innovation day is celebrated by brainstorming ideas to solve the everyday problems of consumers and collaborating with aspiring inventors to develop new projects for various businesses and industries.
- View the world in different way by thinking about creative solutions to problem or engaging with other thinkers and creators.
- Innovation helps you take advantages of new technologies.
- Innovation in education promotes critical thinking, a sense of adventure and an openness to adapt.
