**Activity Report  
On  
India-Startup Day  
For Early Stage Of Entrepreneurs.**

Under aegis of IIC Sanjivani Arts, Commerce & Science college, Kopargaon organized an Expert Talk on "India-Startup Day Opportunity For Early Stage Of Entrepreneurs". on 17<sup>th</sup> November, 2022 at 11 AM IST through offline mode..

**About the Event:**

Expert-Talk on " India-Startup Day, Opportunity For Early Stage Of Entrepreneurs." On 17<sup>th</sup> November, 2022 was organized by Sanjivani Arts, Commerce & Science college, Kopargaon. The speaker of event were Dr. Ghodake S.P.( M.B.A. PhD.) HOD of B.B.A.-IB of Sanjivani Arts, Commerce and Science college, Kopargaon. More than 70 students were present for this session and 4 faculties were also present for this session. This session is regarding with the early stage of entrepreneurship. Dr. Ghodake sir gives the need to celebrate India-Startup day.

National Startup Day is a validation of the role of start-ups in the growth of the country's GDP and strengthening India's position at a global stage, and will encourage young talent to see entrepreneurship as a primary Career option, according to industry experts.

He said that the contribution of startup include by way of large infusion of FDI in an asset class outside of public markets.

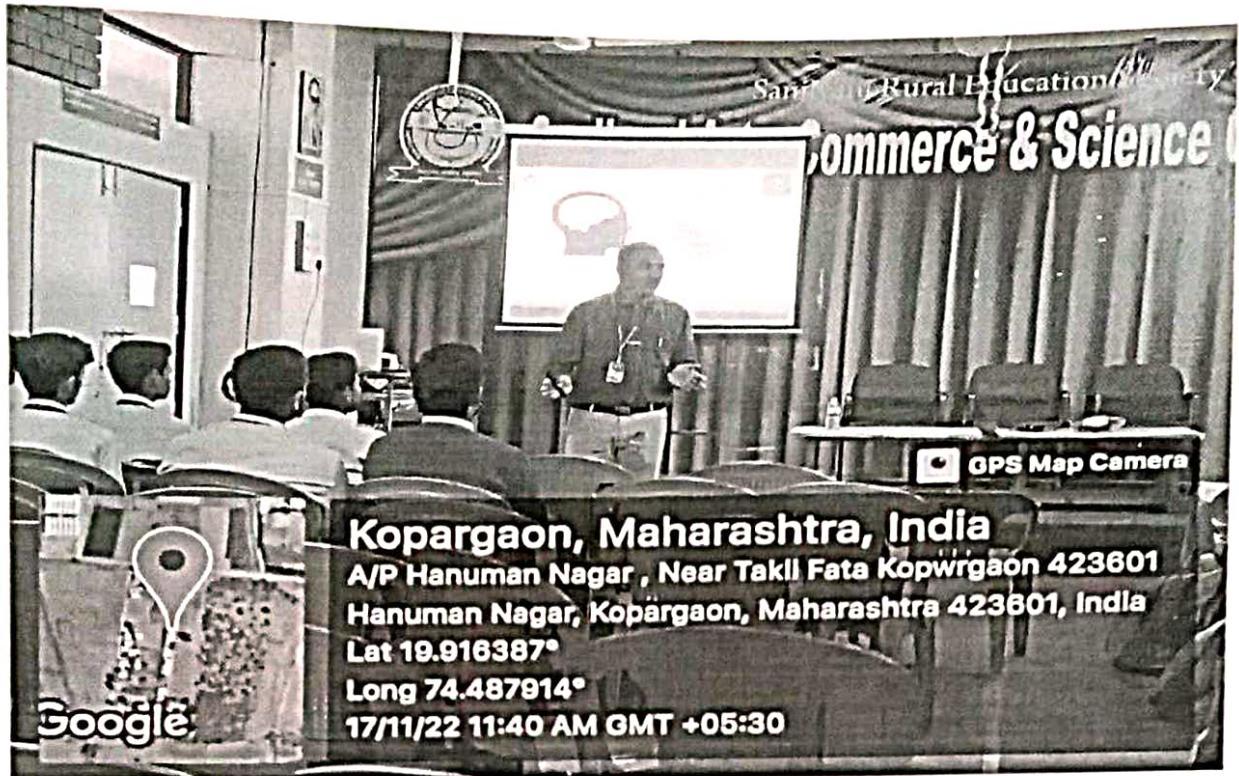

**The main objective of the talk was:**

- 1) Simplification and handling of startups.
- 2) Making available funding support and incentives.
- 3) Industry-Academia partnership and incubation.
- 4) Reducing the burden of tax, compliance and regulatory framework.
- 5) Stimulate a culture of creativity, innovation and entrepreneurship by creating environment for learning and experimentation during all stages of education.
- 6) Creation of direct and indirect employment in privet sector.
- 7) Encourage the people who have the potential to innovate start their own business.
- 8) Objective of these celebration is to make India better economy and strong nation.
- 9) Core objective is to generate maximum employment.
- 10) To limit state policy dependency for new businesses.

**Outcomes of session:**

Students gain the knowledge about India-Startup Day. They understood the process of startup and necessity of startup scheme. Maximum students gives the positive feedback regarding with these activity. India is a rapidly developing country, and one of the main reason behind this rapid development is the entrepreneurs in the country and because of this multiple jobs created across the country. This is absolutely healthy development and it should be encouraged so that only it can lead to new innovation and job creation around the country and has positive impact on social economic condition as well as personal economic condition.
