### What is Equity ?

- Equity is the relationship or ownership in full or fractional of a company.
- Equity markets are place where stocks and shares of companies are traded. Equities are traded in primary market of stock exchanges.
- Often called as stock market or share market. An equity market allows sellers and buyers to trade equity (i.e. shares) in the same platform.
- Investors can also trade in IPOs (Initial Public Offering) where Securities are issued by the company for the first time.
- The primary market or platform of resources from stock investors.
