Activity Report

On

Engineer's Day Celebration

Under aegis of IIC, Sanjivani Arts, Commerce & Science College, Kopargaon organized an Expert Talk on "Engineer's Day" on 15th September, 2022 at 11:00 AM IST through offline mode in seminar hall.

About the Event:

On Thursday, 15th September, 2022, Expert-Talk on "Engineer's Day" was organized by Sanjivani Arts, Commerce & Science College, Kopargaon. The speaker of event was **Mr. Makarand Kulkarni, NET, Sanjivani K. B. P. Polytechnic, Kopargaon**. 80+ students of BSc were present for this session along with 5 faculties. This session is regarding the contribution of engineers in technological and industrial growth of nation. Mr. Makarand Kulkarni explained the need to celebrate Engineers Day.

Engineers are the professionals who design, build and test the construction, raw materials and process of the project. They convert the theoretical knowledge of basic science into actual product and make our lives easy.

He said that engineers possess versatile mind and help in filling the gap between science and technology and community.

The main objective of the talk was:

- 1) Acknowledge the contributions of engineers for the development of country.
- 2) Aims to encourage the people to appreciate the work of engineers.
- 3) Encourage the people who have dream to become engineer
- 4) Make people understand the importance of engineers in society.
- 5) Objective of these celebration is to make India economically better and strong nation.

Outcomes of session:

Students gain the knowledge about Engineers Day. They understood the role of engineers in walk of our lives. Maximum students give the positive feedback regarding with this activity. India is a rapidly developing country, and one of the main reasons behind this rapid development is the contribution of engineers in technological and industrial growth of nation. This development should be encouraged so that only it can lead to new innovation and has positive impact on social economic condition.
