## Report

*Sanjivani Arts, Commerce and Science College, Kopergaon, celebrate national women day on "Gender Equality & Women's Empowerment" on March 28, 2023.*

### About National Science Day:

An national women's day was celebrate on "Gender Equality & Women's Empowerment" on March 8, 2023. The programme was scheduled from 04.00PM to 6.30PM. The program was organized into offline mode. The resource person for the programme was **Dr. Manali Amit Kolhe** Managing Director Sanjivani International School, Shirdi delivered her lecture on the topic "Gender Equality & Women's Empowerment". Dr. Manali mam further answered the queries of the women. Around 100 women were present for the national women day. Participants were from various other department also registered for the national women day.

An introductory speech was delivered by Dr. Madhuri Jawale, HOD of Engineering College, Kopergaon. He gave an introduction about the national women day.

Dr. Sarita Bhutada concluded the programme by giving a vote of thanks.

The main objective of the National Women's Day was to:

1. Equivalent exposure to women's engagement and decision-making in the country's civil, political, and economic activities.
2. Equitable availability of health services for women, affordable schooling at all stages, job and vocational training, employment, equal compensation, health and safety at work, social assistance and more.
3. Reinforcement of legislative frameworks intended to eradicate any types of violence against women.
4. Altering social traits and civic activities by constructive involvement and responsibility of men and women respectively.

---	---	---

5. Normalising a gender perspective throughout the process of development.
6. Reducing sexism and other types of abuse against women and girls;
7. Growing and fostering partnerships with the civil community, especially women's organisations.
8. Creating and expanding women's empowerment alliances and collaboration of stakeholders.

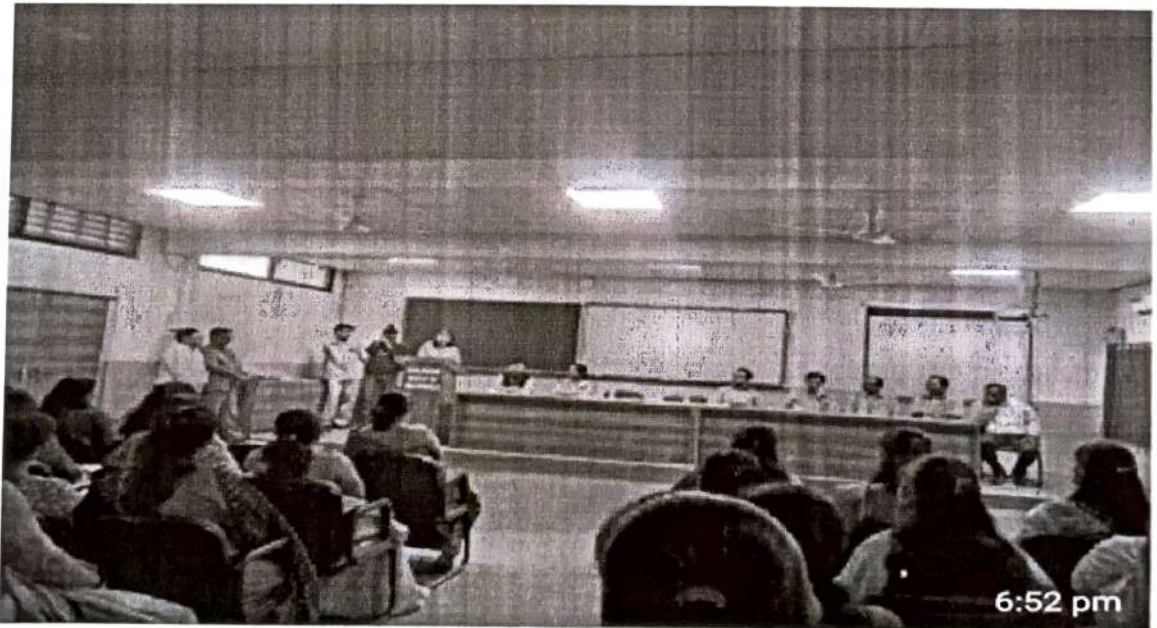

**Outcomes:**

The achievements of women and raise awareness about women's equality. The main outcome of this program to recognising and celebrating the women and girls who are "championing the advancement of transformative technology and digital education". It is also geared towards examining the impact of digital gender gap on economic and social inequalities while highlighting the need to protect the rights of women in digital spaces.
